Dazzle your **family** and **friends** with design innovations using the **Juki Lock MO-700 Series Sergers.**

MO-734DE

2-Needle, 2/3/4 Thread Overlock with Differential Feed and Automatic Needle Threader

Create the latest sophisticated styles, trendy sportswear, stretchy activewear, adorable childrenswear, decorative home fashions and more! With the MO-734DE and the MO-735 you can expand your sewing capabilities with a wide range of 2/3/4 thread overlock stitch variations. With the MO-735 you can advance your serging applications to include chainstitch, 5-thread safety stitch and 2 or 3 needle coverstitch.

These Juki Sergers can handle all types of fabrics from ultra light weight to heavy weight, and the most difficult-to-feed materials. Achieve virtually every serger technique and decorative stitch you've imagined with the Juki MO-700 Series!

In addition to overlocking you can easily convert your MO-735 to a 2 or 3 Needle Bottom Coverstitch, a 5-Thread Safety Stitch or 2-Thread Chainstitch!

MO-735

2-Needle, 2/3/4/5 Thread Overlock with Differential Feed, Chainstitch and Coverstitch

2 & 3 Needle Bottom Coverstitch

Coverstitch: Easily converts to coverstitch for hemming and serging in one operation. Ideal for hemming all types of knit garments including tee shirts and sweatshirts, sewing elastic and decorative seaming.

Chainstitch Mode

2-Thread Chainstitch: For creating durable seaming, binding and decorative sewing on woven fabric. The unit easily converts to chainstitch and features an automatic chain looper threader.

5-Thread Safety Stitch

3-Thread Overlock with Chainstitch: Wide or narrow 3-thread overlock combined with 2-thread chainstitch for creating super secure professional seams.
